Rightway

The Rightway app is your front door to healthcare.

Rightway is here to simplify your healthcare experience. From finding the right doctor to decoding confusing medical bills, our team of healthcare experts handles the time-consuming stuff so you don't have to.

One app for all of your healthcare needs.

1 CONTACT US

Call or chat with a health guide for expert support. Important updates will be sent to your inbox.

2 HOME

View reminders, manage requests, and access helpful tools from the home screen.

3 GET CARE

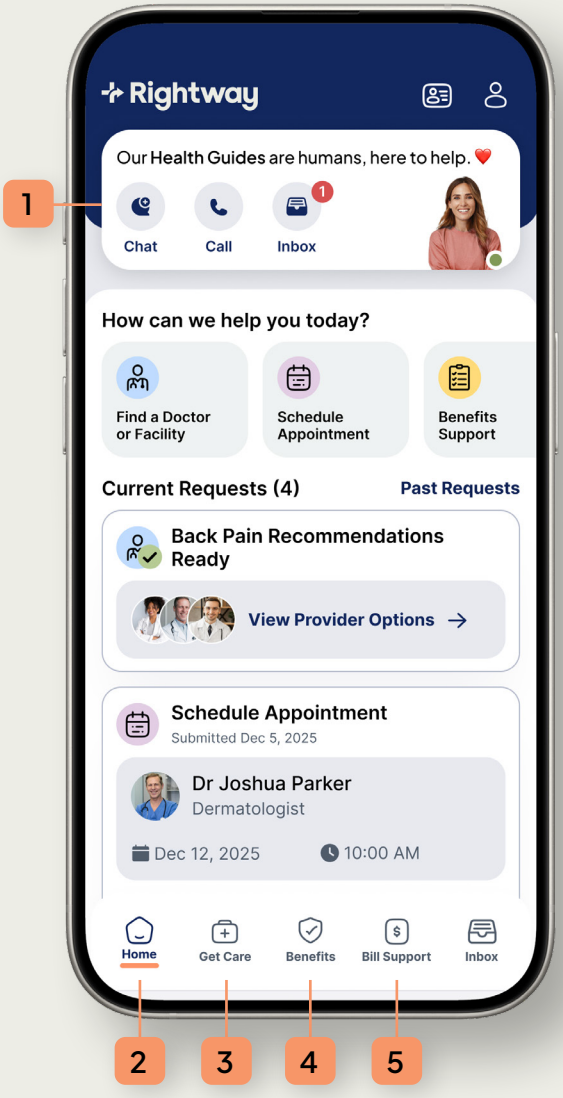

Search for top in-network providers and facilities. Your health guide can help you find the best options and even book your appointment.

4 BENEFITS

View all of your healthcare benefits and insurance coverage details, including copays and digital ID cards.

5 BILL SUPPORT

Upload a picture of your medical bill. Your health guide can answer billing questions, explain the charges, and dispute any errors on your behalf.

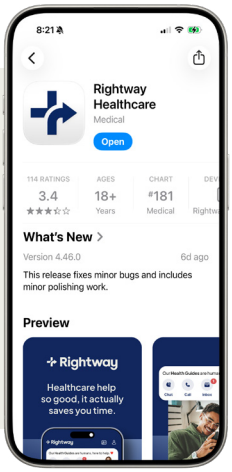

Rightway®

How to activate your Rightway account.

Getting started is easy and only takes a minute.

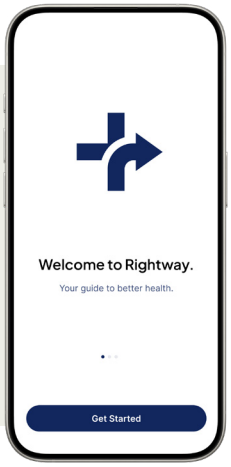

STEP 1

Download the Rightway app from the **App Store** or **Google Play**, or visit **joinrightway.com**.

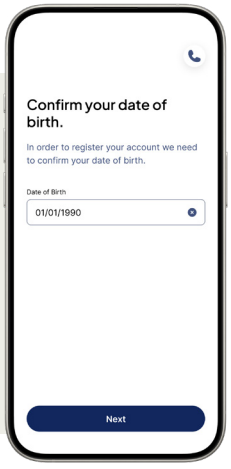

STEP 2

Click "**Get Started**" to enter your email address and confirm your date of birth.

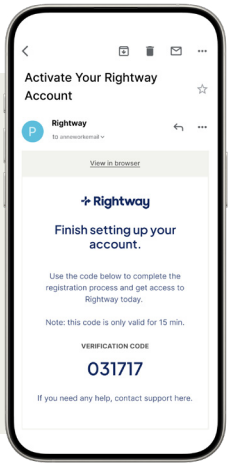

STEP 3

Click "**Next**" to send an activation code to your email to verify your eligibility.

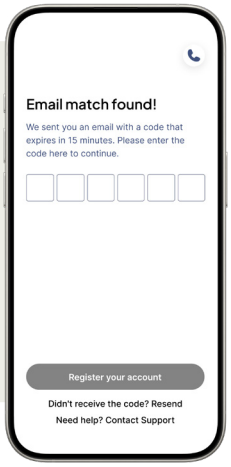

STEP 4

Check your inbox for an email from Rightway with your code and enter it in the app.

STEP 5

Click "**Register Your Account**" to create a password and complete registration.

Download the Rightway app to get started.

Once you activate your account, you'll have instant access to expert support and self-service tools.

Download on the App Store
