Rightway®

Get early access to your new pharmacy benefit in the Rightway app.

Starting January 1, 2027, Rightway will be your new pharmacy benefit manager. Set up your Rightway account now and get early access to personalized support from our team.

Our pharmacy experts can answer questions about your prescription drug coverage, find the lowest medication prices, and more.

Getting started is easy.

Download the Rightway app or visit joinrightway.com/rx.

The full app experience will be available starting on January 1, 2027.

Check back in to access the features below, and many more.

+ **Medicine cabinet:** Keep track of current and past prescriptions and prior authorization requests in one place.
+ **Drug search:** Compare medication prices at different pharmacies and find more affordable options.
+ **Coverage information:** Access your digital pharmacy ID card and easily view coverage details for yourself and your dependents.
+ **Mail order:** Transfer a prescription to a mail-order pharmacy for easier management.
